CLERK: Mr. President, if I may, right before we go to that, your committee on Enrollment and Review respectfully reports LB 132 correctly engrossed; 253, 253A, 284, 284A, and LB 483 all correctly engrossed.

A letter from the Governor addressed to the Clerk. (Read. Re: LB 59, 167, 17 and 205. See page 1446, Legislative Journal.)

Senator Wagner would like to print amendments to LB 11.

And your Enrolling Clerk has presented to the Governor LB 329 and 333.

Mr. President, LB 366 (Read title). The bill was first read on January 19, referred to Retirement for public hearing. The bill was advanced to General File. There are committee amendments by the Retirement Committee.

SPEAKER MARVEL: Senator Fowler, do you wish to explain the committee amendments?

SENATOR FOWLER: I do. I move adoption of the committee amendments. LB 366 is a bill that deals only with police and fire in the City of Lincoln or that is cities of the primary class. The committee amendments are a compromise, a negotiated compromise, between the police, the fire and the city administration. It is acceptable to all sides and acceptable with an amendment that Senator Landis offers. The basic thrust and the reason for the agreement is that civilian employees if you want to use that term, the nonpublic safety employees, are currently being matched \$2 for every \$1 that they contribute. The city matches \$2 for every \$1 that is contributed. The city working with its actuary developed a proposal to improve the Lincoln Police and Fire system to the point that the same matching ratio would be used and that the 7% of employees salary contributed by the police and fire would be matched with a 14% of payroll contribution by the police. So these are amendments. 366, there is a companion bill, 367. That bill was killed. This integrates the proposals. It may be less than the public safety organizations initially wanted but it is something that provides equity and comparability between the systems. I would move for the adoption of the amendments.

SPEAKER MARVEL: The motion is the committee amendments to LB 366. Okay, the motion is to adopt the committee amendments. Senator Schmit, do you wish to speak to the committee amendments?
